Cynthia,

One action that needs to take place while I am out is to update the Butte-Silver Bow website on either the afternoon of July 11 or morning of July 12, whatever is more convenient for you all. The public comment period will close on July 11. Attached is the revised CEF that has been sent around to the site team, also cc'ing Nikia (RPM for the site). We will also need to make sure someone is around to publish the website.
